

# SPHS CLASS OF 1970 - 50TH CLASS REUNION

REVISED FOR 2021

Please share with other classmates who may have missed prior announcements

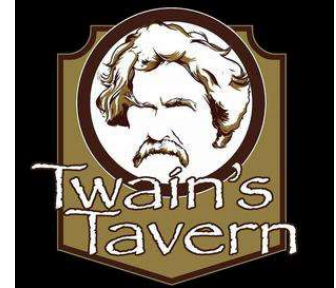

As of July 20, 2021, Maryland reported 199 new cases of COVID. The reunion committee respects that your decision to vaccinate is personal. However, if our event venue (The Severna Park Elks Club) requires unvaccinated attendees to wear a mask you will be required to comply. At present Maryland does not have a mask mandate, nor does the Elks Club.

The reunion committee assumes no liabilities for the COVID policies imposed by the State of Maryland/the Severna Park Elks Club. In the event that it would be necessary to cancel this event due to a COVID spike, the reunion committee will process proportional refunds after all contractual commitments are honored. This committee will not plan an alternate reunion.
