

**18th Annual EHS 50+ Alumni Picnic**  
**September 14th, 2025 9am-4pm Anderson River Park**

Dear Community Members and Business Owners,

Enterprise High School 50+ Alumni Foundation raises monies for scholarships for graduating students at Enterprise High School. We raise these monies through donations in addition to an annual barbeque where we sell raffle tickets as well as auction off items to raise funds for the next graduating class at Enterprise High School. Last May, we presented scholarships to 20 students of \$1,500 each. *The students are not straight 'A' students, but 'B' and 'C' students that have shown the initiative of continuing their education whether through college or trade schools.*

**We ask that you join us in donating to our cause, and all donations are tax deductible:**
