

PWC High School Reunion 1970 (50 years)

We are less than five months away from our reunion and the response and interest is building quickly. Many of you who have connected with us agree that our 50th is an extra special milestone and will be an amazing time.

**Save the Date (s): Friday July 31st and
Saturday August 1st. 2020**

The Details of our Reunion (so far)

Friday, July 31st

We have acquired the upstairs event room at BANNERMAN BREWING CO. for our downtown Friday night meet and greet called "Recess until Dismiss". The venue is located in one of St. John's oldest historic sites, the East End Fire Station at the corner of Duckworth and Ordnance Street. It will be a great start for restoring past friendships and sharing old and new experiences.

Saturday, Aug. 1st

The Saturday evening gathering is being planned with a little more flair. We are calling this a PWC "Sock Hop" surrounded by friends, food, drinks, music and dancing. It will take place at **BITTERS PUB AND RESTAURANT** which is the Graduate Students' Union restaurant and lounge located in Field Hall (off Prince Philip Dr.) Check out their facebook page to see the location. <https://www.facebook.com/bitterspub/>
Send us any high school or prior school photos and bring along mementos that you would like to share in our display area.

Mark's appreciation to our special advisor school alumni is INCREDIBLE. For cost and timing to see this post at Prince Philip High and in the face of every post at PWC, see 2020-21. His experience and knowledge is much appreciated.

Your Help in finding our High Schools Friends will be great!

Our PWC 1970 Reunion Committee members are working daily to find as many of you as we can. Telephone calls, facebook searches, our alumni site, making eye contact with anyone who looks familiar at supermarkets, gyms and wine stores are getting great results however, word of mouth is having tremendous success. With this in mind, we are reaching out to all of you to help us find our other high school friends. We have a list of those we have found and soon to have a list of those we have not found. If you would like to help in this search or if you have ideas as to where you can find a classmate, please email pwcreeunion1970@gmail.com with information or pass it along to whomever you feel will be interested. Our face book page is [PWC Reunion 1970](#) and our Alumni site is <https://www.alumniclass.com/prince-of-wales-collegiate/> Both are fun to join.

Join our Planning Committee or sub Committees

So far there are six of us meeting every Thursday by teleconference and sharing our thoughts, ideas and resources. You are welcome to join in and bring along your thoughts, ideas and resources as well. We are planning to have other sub-committees to help out with such things as decorating, registration, etc. Please think about putting your hand up and join in.

What's coming next

More information will be shared with you in our next newsletter in a few weeks. At that time, we will provide you with information on the registration process and ticket purchases as well as additional details of the events.

In the meantime, if you have any questions, or any suggestions of things you would like to see at the events, please do not hesitate to contact us by email or on our face book page.

One last word (or maybe two).

Your spouses and partners are invited to join us for both events. Don't forget to reach out to others who are part of our high school group to let them know about this momentous event.

It will be GREAT to see you!
