

PWC REUNION 1970 Newsletter May 28, 2020

Hello Everyone

We hope you are all keeping well and finding ways to enjoy your “stay at home” summer of 2020. We thank everyone who has taken time to share their thoughts, views, photos, and memories of 50 years ago on our PWC Reunion 1970 Facebook page and as well through the PWC email. These activities have contributed greatly to the excitement and motivation to remain optimistic about re-uniting and celebrating with our high school friends.

Update on our PWC Reunion 1970

As we all know, the outbreak of the COVID-19 pandemic has led to many postponements and cancellations of events worldwide. As we follow the increased efforts to prevent the spread of this virus, the reunion planning committee is left with the unfortunate task to postpone our

PWC Reunion 1970 scheduled for July 31st and Aug. 1st, 2020.

We realize this postponement is disappointing to everyone but as disruptive as this pandemic has been, we are still planning to hold the reunion, a year later. We have decided to keep the dates and the venues the same except for one small change. SO please

**Friday July 30th
and Saturday
July 31st, 2021**

We will be the first PWC high school reunion, to have our 50-year celebration, 51 years later.

Looking Ahead

Our reunion planning committee has been exploring additional ideas to keep your interest and excitement high while waiting for this new 2021 reunion date to arrive.

Here are our thoughts and we welcome any ideas you may have as well:

- Hold a virtual ZOOM event with all classmates who are interested. This virtual gathering could include a variety of items such as a welcome from a faculty member, archives,

videos and photos, and other virtual interactive opportunities for those attending.

- As circumstances change and interactive activities are safe, we are hoping to host a smaller face to face gathering in the late fall before Christmas or early in the New Year.
- We plan to keep our reunion Facebook page active with archived materials, photos, and comments from our classmates.
- We will keep searching for classmates not yet found and add them to our contact list.

We Need Your Help

Getting the word out to as many of our classmates as possible is the key to having a successful reunion. We have been working steadily at this task and are halfway there. Each of us, along with a few more recruitments, have been trying to find our high school friends through Facebook, Canada 411, telephone books, the PWC Alumni site and word of mouth. We need your help to find more. Enclosed is a list of our “unfound friends” for you to look through. Maybe you know where someone is, maybe you know of someone who has kept in touch with another or maybe you have already crossed paths and have an idea of where to find them. The website for the Collegian yearbook is also

attached in hopes you will find it helpful. If you have luck in your search, please share the Facebook link, the PWC Alumni site and our PWC reunion email as their way to connect. You can also send us an email with your thoughts, ideas, or information that will help.

Our Next Newsletter

The planning committee will continue reaching out to you via a newsletter with updates such as:

- A date for our ZOOM gathering
- Other future events to keep you connected
- An updated “unfound friends list”
- Most importantly, additional information on our 2021 Reunion.

Looking Ahead As we move forward, we’ll be sure to keep you posted, and know that we always value your questions, ideas, and feedback. Stay on the bright side, stay safe, and always remember that when the time is right, we will all be connected again like never before.
