

Wayland Boosters Annual Appeal & Brick Engraving. Thank you for considering a donation to support Wayland athletics. This year, as a thank you for larger gifts over \$300, Wayland Boosters are pleased to offer bricks engraved with the text of your choice. The bricks will be installed at the Wayland High School athletic complex in the Spring of 2020. These enduring tributes are a great way to show your support for Wayland team sports or for your favorite athlete. If you would like to make a donation in addition to, or in lieu of, a brick engraving request, please use the “other donation amount” field below. If you would like to engrave more than 5 small or 3 large bricks (thank you, wow!), you will need to fill out the form again for additional requests. We thank you for your contributions, no matter how big or small, and for supporting Wayland student athletes. www.waylandboosters.org/donate for donation form.
